DEI initiatives

Inclusive Event Planning: Provide tools and templates that help organizers plan events that are inclusive of all cultures, religions, and abilities, ensuring diverse representation and participation

Accessibility Features: Ensure the app is accessible to everyone, including those with disabilities, by incorporating features like screen reader compatibility, adjustable text sizes, and high-contrast themes.

Cultural Awareness: Include a diverse array of holidays and cultural celebrations in the event planning templates, allowing teams to acknowledge and celebrate the richness of different backgrounds and traditions.

Safe Spaces for Discussion: Offer features that create safe spaces for discussion and feedback, ensuring that all employees feel heard and valued during and after events.

Promotion of DEI Initiatives: Highlight and promote DEI-focused events and initiatives within the app, encouraging participation and awareness across the organization.

Sustainability

Eco-Friendly Event Planning: Provide guidelines and suggestions for hosting eco-friendly events, such as using reusable decorations, sourcing sustainable catering options, and minimizing single-use plastics.

Virtual Events: Promote virtual and hybrid event options to reduce travel-related emissions and encourage remote participation.

Resource Optimization: Use analytics to better understand resource usage and make data-driven decisions that reduce waste and improve efficiency.

Green Certifications: Encourage organizers to pursue green certifications for their events, providing support and resources to help them meet certification criteria.
